

September, 2018

Dear Parents,

Welcome to 6th grade! We hope this summer brought you and your child enjoyable memories. We look forward to working with you to secure success in your child's education. We will only have your child for a short time and wish to make a contribution that lasts a lifetime. In order to assure this, we need your help. We wish to become a partner with you in your child's education.

This is a very special time in your child's life. He or she will be learning many new things this year - academic skills, organizational skills, social skills, self esteem, and responsibility. In fact, this year will serve to help prepare your child for the less structured years that lie ahead.

Most of a child's intellectual development takes place in the world beyond the classroom. This means that as parents, you play a key role in helping your child attain the peak of his or her potential. By working together, we believe that we can encourage your child to use the skills learned this year in order to succeed in the school years ahead and beyond.

If you have any questions or concerns throughout the course of the year, please to do not hesitate to contact us. We can be reached by phoning the school, or emailing us **Mrs. Chiaro** achiaro@stpathunt.org and **Mrs. Hartzman** dhartzman@stpathunt.org. We will do our best to respond as soon as we get your mail. We strongly urge you and your child to use the school's website since it serves as a very informative, educational tool.

We look forward to working with you this year as we assist your child in achieving all of the joys that learning can offer. Your partnership and support will be a great contribution to the 2018-2019 school year.

Sincerely,
Mrs. Chiaro
Mrs. Hartzman
